Mrs. Mary C. Barry, Sister Of Lieut. Eugene McGill  
Who Took Part In Tokyo Raid, Drowns In Upper  
Mystic Lakes — Funeral Services Held In  
Heights Church—Leaves 15-Months-Old Son

Funeral services for Mrs. Mary C. (McGill) Barry, of 4 Beck road, who lost her life Saturday afternoon in the first drowning accident of the season at the Upper Mystic Lakes, were held Tuesday morning.

Rev. Maurice J. O'Connor celebrated the high mass of requiem in St. James church. Burial was in Mt. Pleasant cemetery. Pallbearers were William McGill, Donald McGill, Joseph McGill, Thomas McGill.

### Sister of Air Hero

The tragic drowning struck a heavy blow in the McGill home since Mrs. Barry was the oldest child and only daughter of Mr. and Mrs. Owen McGill, of 18 Grove street place.

Lieutenant Eugene McGill, daring aviator who was one of Brig. Gen. Doolittle's air raiders who bombed Tokyo last April, Lieut. McGill has since been reported missing in action in the Far Eastern war theatre, and his family is still hopelessly awaiting news of his whereabouts.

Mrs. Barry also leaves her husband, John D. Barry, who was with her at the time of the accident and narrowly escaped drowning when he also crashed through the ice, and a son, John E. Barry, Jr., 15-months old.

Crashing through the ice while on a skating party with her husband, Mrs. Barry disappeared beneath the surface, about fifty feet off Robinson's Point. Her husband went to her rescue but crashed.

## Fire Destroys Storage Shed

Fire which broke out late Wednesday afternoon destroyed a storage shed at the rear of 283 Broadway, a short distance from central fire headquarters.

Filled with furniture which had been stored there, the shed was turned into a roaring furnace as flames swept through upholstery and other inflammable materials. Heavy clouds of smoke attracted many to the scene. Firemen were directed by Chief Daniel B. Tierney in fighting the fire, and attention was concentrated on preventing the blaze from spreading to a large two-and-one-half story barn just a few feet away. The shed and furniture was a total loss. The building was owned by Daniel Barry.

A second fire was discovered in rubbish from the first blaze, early yesterday morning, and this was quickly extinguished by firemen.

## Schools Affected In Fuel Oil Crisis

Acting quickly in the face of the critical fuel oil situation, school authorities this week ordered changes in schedules affecting the Brackett school and the senior high school, the only two local public schools which are at all dependent upon oil for heat. The changes went into effect yesterday morning.

At the Brackett school, afternoon sessions have been eliminated. School will open at 9 a. m. and close at 1 p. m. with a short luncheon period before noon. This should result in a saving of 20 to 25 percent in the amount of fuel oil ordinarily used in this school, according to Superintendent Clifford R. Hall.

At the senior high school where the old building is heated by coal and the new wing with oil, sessions will now start at 8:45 a. m. instead of 8:15, and school will close at 1:30 instead of 1:20 p. m. It has been necessary to use electricity in every room at this school in the early morning. The later opening hour is expected to effect a saving in both electricity and fuel oil.

If conditions reach a point where fuel oil is not at all available, temporary closing of these schools for a few days will be necessary, and this time will be made up later. But, school authorities hope to maintain the new schedule as far as possible.

All other schools are heated with coal and will not be affected.

## War is Keynote of Governor's Address

Massachusetts must exert every effort to help win the war—and make preparations to assure stability in the post-war period, Governor Leverett Saltonstall stressed in his opening address before both branches of the State legislature at the State House yesterday afternoon.

Following are highlights of the Governor's address:

"The people of Massachusetts have chosen us to serve them in one of the most critical times in the history of our country. Our decisions on their problems must be made in a world filled with violence, haste, anxiety, and sorrow. We must not fail.

"The time is not for words, but for action. Your session will be short and businesslike. Of that I am sure. As guides to bending all our thought and energy to the war effort, I urge you to:

Maintain those services which are essential to health and strength on the home front.  
Improve the management of public business.  
Curtail, reduce, or eliminate all services not materially contributing to the prosecution of the war.

## Decrease In Births And Deaths Last Year Is Recorded Locally

Little variation is noted in the number of births, marriages, and deaths in Arlington during the year just ended and the year 1941. Figures available at the office of Town Clerk Earl A. Ryder show that 560 marriage intentions were filed in 1941 and 559 last year. A total of 576 marriages was recorded in 1941 and 578 last year.

There were 490 deaths in 1941 while last year the number dropped slightly to 480. Last year 708 births were recorded while 726 were reported during 1941. All statistics with the exception of marriage intentions are likely to be somewhat larger for the year just ended since some of the returns are still coming in.

## Gathering At Senior High School Will Be Last Before The Opening Of Greater Boston Campaign — Army Chaplain Is Principal Speaker — Public Is Invited

Everything is set for the final local meeting in preparation for the Greater Boston United War Fund drive which begins January 21. The Arlington mass meeting will be held next Tuesday evening at the senior high school.

Arlington is sharing with forty-nine other communities in a drive for funds to operate two hundred and thirty-five hospitals and social agencies in addition to helping the United War Nations Relief Fund, the U.S.O., and War Prisoners Aid.

The unusual program planned to sure to inspire all attending. Invitations are in the mail but a cordial welcome is extended to all interested.

The principal address will be by Chaplain, Major D. A. Laning. His participation was made possible through the cooperation of his Commandant, Colonel Cleary. Roscoe Elliott, chairman of the local drive, will preside. He will present, in addition to Major Laning, other speakers including Brooks Potter, chairman of the Metropolitan Division; Charles Cabot, general chairman for the Greater Boston United War Fund Drive; and Harold Cahalin, president of the Arlington Community Chest.

The official United War Fund movies will provide a brief but vivid glimpse of numerous activities made possible only by such a drive. The film contains some unusual scenes. Music for the occasion is to be provided by the Arlington high school band under the direction of Augustus Mazzocca.

A colorful spectacle is added by the usenettes who will be attired in the costumes of the countries being served by the Fund. The beauty as well as the traditions represented will lend to the meeting a very definite International flavor and will recall our many neighbors in the widely separated parts of our globe. This emphasizes the scope of the area served by the drive.

Boston opened its drive with an opening meeting in Symphony Hall. Arlington, not to be outdone, has planned a program that will be sure to move the drive into high gear right from the start.

The local meeting will start at 8 p. m.

## Arlington Tops Quota In U.S. War Bond Sales

The sale of United States War Savings bonds in Arlington for the month of December totaled \$134,125.00, thereby exceeding Arlington's quota for this month by a very wide margin.

In urging a concentrated effort to boost the sale of War Savings bonds throughout Massachusetts during December, State Administrator Daniel J. Doherty had set Arlington's quota at \$120,000.00. Arlingtonians exceeded this amount through their purchases of bonds, by over \$14,000.00.

Arthur J. Mansfield, chairman of the Arlington War Savings committee, expressed his appreciation of the public's response to the special appeal made in an early December issue of the NEWS asking citizens to put Arlington "over the top" in December.

**Sold at Center**  
Sale of bonds at the Center Booth for the month of December amounted to \$4,050, and stamps, \$2,125.20. In addition to this the Allied War Relief Society sold \$125. in Bonds and \$264.25 in stamps.

## Philharmonic Society Enjoys Chamber Concert

The Arlington Philharmonic society enjoyed a most successful chamber concert in the Robbins library hall Tuesday evening.

Mrs. Rodney Sage, chairman of the program, welcomed those present and then the audience joined in singing the Star Spangled Banner.

The first concert number was a Sonata for two Violins by Handel, played by Frederick Koerner and Mrs. Phyllis Spence. Albert Nansen, of Hamburg, was at the piano.

Miss Gracia Eagleson, soprano, next sang four numbers, "The Night Has A Thousand Eyes," "The Nightingale Has A Love Of Gold," "The Time for Making Song Has Come." She was accompanied by Mrs. Alma Allen.

A string quartet by Hayden, in four movements, Presto, Andante, Cantabile, Minuetto and Scherzando, was played by Mr. Koerner, Mrs. Spence, violinist; Hans Wohlell, of Hamburg, cellist; and George Weiss, viola.

Both Mr. Weiss and Mr. Koerner have studied music in Vienna.

## Fantazian Baby Is Arlington's First New Year's Arrival

A baby daughter born to Mr. and Mrs. H. Fantazian, of 18 Laurel St., at the Symmes hospital, Friday morning was the first Arlington baby born in the New Year, as far as is known.

The proud father is owner of a barber shop at 1191 Massachusetts avenue.

However, Baby Fantazian was not the first baby born in Arlington on New Year's Day, for Arthur Kramer, an 8 pound 12 ounce baby boy made his appearance at the Symmes hospital at 5:34 a.m. New Year's Day, about two hours earlier than Baby Fantazian. He is the son of Mr. and Mrs. Arthur William Kramer, Jr., of 188 Lakeview avenue, Cambridge.

A string quartet by Hayden, in four movements, Presto, Andante, Cantabile, Minuetto and Scherzando, was played by Mr. Koerner, Mrs. Spence, violinist; Hans Wohlell, of Hamburg, cellist; and George Weiss, viola.

## Army Chaplains At Hts. Baptist Service

A pleasing feature of the morning service in the Arlington Heights Baptist church on Sunday was the greeting given by two Army chaplains from the Harvard Chapel School, Chaplain Edward L. Pearson of Minneapolis, Minn., and Chaplain Edward B. Maher of Fletcher, Ohio. Both these men are formerly from the Northwestern Bible School of Minneapolis and were classmates of both Dr. and Mrs. Walter E. Bridge.

Dr. and Mrs. Nelson B. Baker plan to be in Philadelphia this week-end. Dr. Baker is scheduled to preach the 15th anniversary sermon Sunday morning at the Chester Avenue Baptist Church, where he was pastor for six years until called to Trinity.

Rev. Nathan W. Wood, professor of Homiletics at Gordon College, will preach at Trinity Sunday morning in the absence of Dr. Baker. In the evening Miss Olive E. Jones of South India will speak. She has had years of experience in helping to guide hundreds of Indian girls into worthwhile channels of Christian service. Since 1919 she has been engaged in educational work in South India.

Dr. Nelson B. Baker is conducting devotions of the New England Fellowship Hour, heard over radio station WHEH at 7:30 a.m., from Monday through Friday of this week.

A splendid attendance was noted at the watchnight service on New Year's Eve. A social hour was enjoyed for the first hour, conducted by Trinity young people. Ladies of the Women's Circle served refreshments. A devotional service then ushered in the New Year with prayer.

### Uniforms, Equipment Issued to Arlington State Guard Company

The Arlington Company, Massachusetts State Guard, has been issued new spruce green uniforms and has been equipped with special type weapons for guerrilla warfare, according to Lieut. Frederick L. Reynolds, commanding officer.  
Though fully equipped to take the field in the event of emergency, the outfit, which was formed little more than a month ago, is still in need of more men to fill the ranks. At present there are 53 men in the company who have been drilling together since before official recognition was received from the Commonwealth. However, full legal strength is 65 men and officers.  
"It seems to me that in a town boasting a population of nearly 50,000 there ought to be more than 53 men who are interested in protecting their own homes against invasion or sabotage attempt," Lt. Reynolds declared in his statement. "We aren't going to be called upon to perform duties outside of our own community—all we are asked to do is protect ourselves—efficiently. As a matter of respect to those who have left to serve with the nation's armed forces it seems that those men left behind should be willing to do their bit. It's not asking too much—and I hope that the response to this appeal will be great enough to fill our ranks."

### ENTERTAIN 150 SERVICEMEN

The Monday Night Club entertained about 150 service men at a dance held in the vestry of the Universalist Church. The Barker orchestra from Boston furnished music. Refreshments were served. Men from the Bedford Air Field, the Army Base and the Coast Guard were present.

# A Pledge Renewed

IN NORMAL TIMES it is customary for business, at the turn of the year, to enumerate its noteworthy achievements for the previous twelve months and to comment on its prospects for the coming year. But for more than a year this country has been an active participant in a global war which exceeds in magnitude and importance any other war.  
The transcendent importance of victory for the United Nations renders the achievements of a single business of very small moment. Success or failure of any business for the duration will be measured in terms of its contribution to the great collective war effort. No individual achievement will be considered a success unless it has contributed to the advancement of the greatest cause in all history — Victory for the United Nations.  
This objective should be and must be the "be-all" and "end-all" of every activity until victory is gained. Everything must be done that will help, and nothing must be done that will hinder, the early attainment of this result. This means the subordination of every other interest to the war effort.  
Our fighting men, many of our great business enterprises, and large numbers of civilians have made the all-out conversion and subordination to the war effort. Their sacrifices and efforts have stayed off defeat during the critical months of 1942. But the efforts and sacrifices of only part of this nation will not be sufficient for victory. Nothing short of an all-out effort of everyone and every business will suffice to overcome the desperate efforts of our enemies.

The price of victory is going to be high — in lives, in money, and in sacrifices. But the price of defeat would be incalculable!  
The United Nations up to date have been on the defensive. Now, for the first time, they are on the offensive. Now is the time for everyone who has victory for the United Nations at heart to make this all-out conversion and subordination to the war effort. Victory in Europe in 1943 is not only a hope — it is a possibility. It can become an actuality if all make the necessary sacrifices.  
Boston Edison Company, in its annual report to stockholders dated February 24, 1942, made this pledge:—

Until this war has been brought to a successful conclusion, the interests of our country and its allies transcend any and all other interests. Therefore, during this extreme emergency, the entire resources of your Company, animate and inanimate, must be devoted primarily and unshrinkingly to cooperation with and acceleration of the great war effort. In doing this, however, neither inconvenience nor sacrifice should be imposed unnecessarily or ruthlessly upon our customers, employees, or stockholders. Their interests must be given every consideration consistent with the Company's primary obligation to the country.  
During 1942 the war effort has had prior claim on all facilities and resources of Boston Edison Company. Every requirement made on our system has been met. While our own personnel had much to do with this accomplishment, it would have been difficult if not impossible without the valuable aid and cooperation of the Governor of the Commonwealth, the Mayor of Boston, the mayors and selectmen of other cities and towns, the Massachusetts Department of Public Utilities and other governmental authorities, the Army and Navy personnel, and the suppliers of coal and other materials and equipment.

We acknowledge with appreciation the assistance given to us in meeting our problems. On the threshold of the New Year, Boston Edison Company renews the pledge it made at the beginning of 1942.

## A RECORD TO BE PROUD OF

Because metropolitan newspapers generally give the public what it likes to read, stories tending to give color and corruption in public office are often "played up." On the other hand, because it is less sensational, the administrative record of honest office-holders, who, fortunately, are in the majority, is seldom given the publicity it deserves.

It is for this reason that we can, with attention to the excellent record of District Attorney Robert F. Bradford, of this county, who was sworn into office for a second term this week.

During his first term of four years, Mr. Bradford has set up several new records. Municipal government has undergone a cleanup during his administration and the mayors of Cambridge, Lowell and Methuen were indicted and prosecuted as a result. District Attorney Bradford has courageously and heroically waged war on graft, gambling and racketeering. He smashed the biggest number pool operating in the East and jailed operators and others involved.

His handling of prosecutions of all criminal cases in the fifty-four cities and towns in this county has been eminently successful, having resulted in 82.5 percent convictions. Crime in the county has decreased to the point where the number of cases per month is now at the lowest level in twenty years.

From the taxpayer's point of view, District Attorney Bradford's record is all the more impressive because it has been accomplished at the lowest total cost in twenty years, since a full year's sitting of the Superior Court in Middlesex was inaugurated. He has been able to return to the treasury, an unexpended balance in his appropriations, year after year so that in four years they have totaled \$143,000. This is applied to reducing county taxes.

The NEWS is proud to add that it is one of the first newspapers to endorse District Attorney Bradford for public office. That the voters of Middlesex County appreciate the type of administration given by this progressive prosecutor is indicated by the fact that Mr. Bradford was re-elected last fall by the largest vote ever recorded in any county in this state.

It is a source of satisfaction to Arlingtonians that Mr. Bradford has a high regard for the law. As a former Attorney General of Massachusetts, he has been active in the prosecution of cases involving municipal government officials.

## Garden Club Plans

Home Talent Day

Pvt. First Class Robert M. Bott, of Arlington, who was formerly a member of Company E, 13th Infantry which was stationed at Camp Edwards, has returned there as a second lieutenant in the 4th Corps. He has been assigned to Company B, 1st Battalion, 4th Corps Field. Lt. Bott received his commission from the War Department at Sloat Field, Miami, Fla., and is now on duty at the Naval Training Station, Va., where he will be stationed until March 1, 1941.

H. W. Whitney, of 63 South Main street, who received his commission as Lieutenant in the U. S. Navy and was at the Naval Training Station, Va., where he will be stationed until March 1, 1941.

## The NEWS OBSERVES

United War Fund drive coming up next. This year, the American Red Cross will delay its drive until after the Greater Boston Community fund campaign. Mrs. Carroll H. Beers will be in charge of the local Red Cross campaign.

Arlington has scores of organizations, clubs and societies. Many of these have already curtailed their activities because of the fuel crisis. It seems reasonable to suggest that every single organization should, without delay, consider rearranging its meetings to conserve fuel wherever possible.

Competition among boys and girls to see who would get their bicycle registration plates first was unusually keen when the plates first came out. Now, Police Lieutenant Daniel P. Barry reports that number plates for some sixty bicycles already registered at the local police station, are still unclaimed. Owners who have registered but have not received their plates are asked to call for them at once.

Another gold star was added to Arlington's honor roll of World War I servicemen during the past week in the name of Henry R. Barry, son of Dominick Doherty, of 19 Amherst street, was listed in the Navy's latest list of casualties. Mr. Barry was an electrician's mate, third class.

In a letter to the publisher of the NEWS, Daniel J. Doherty, state administrator of the War Savings staff, expresses his appreciation of a recent "United for Victory" advertisement, in the NEWS, in the interest of the sale of war savings bonds and stamps. Mr. Doherty states: "It is gratifying to know that there are individuals and concerns in Arlington so public-spirited as to join in underwriting this display."

Other letters along the same line have been received from government agencies, in addition to certificates of appreciation from the United States Treasury department.

Congressman Edwin Nourse Rogers has asked the Government Printing Office to send to the Robins Public Library the Congressional Record as they are issued so that the Records may be available to persons who wish to see them. The Record is issued each day that Congress is in session and contains an exact record of the proceedings.

Very little celebrating was in evidence in Arlington New Year's eve—due to the quietest on record. Not a single entry was made on the police blotter during the last three days of the old year and the first of the New Year.

The parents of Alfred J. Doucet, of 41 Hamlet street, who is now stationed overseas, have received word of his promotion to sergeant. Sergeant Doucet was 20 years old on January 2. He was graduated from Arlington high school in the class of 1939, and enlisted in the Army August 1, 1941.

He reports being in good health and seeing something of the world.

## Local Salvation Army Chapter Wins Thanks For Helping Servicemen

Arlington Chapter 1 of the Salvation Army received thanks this week from the Share Your Christmas fund for its contribution of \$50.00 to spread cheer among servicemen stationed in Greater Boston over the holidays.

In a letter to Arthur J. Mansfield, chairman of the local Salvation Army committee, Roland R. Darling, director of the Share Your Christmas campaign, writes: "Many thanks to you and the Salvation Army Local Relief Fund for the most generous contribution of \$50.00 to the 'Share Your Christmas' campaign."

"On Christmas morning over 50,000 servicemen received 'Share Your Christmas' boxes, soldiers, sailors, coast guard, marines, and all the boys who were far away from home and were having no holiday. You may be sure that one hundred and fifty of these boys were made much merrier on Christmas Day because of your contribution of \$50.00."

In making its contribution, the local committee specified that special attention be given by the Share Your Christmas fund to servicemen stationed on Turkey Hill in Arlington.

## Marriages

John J. Holmes of 88 Paul Revere road announces the marriage of his daughter, Ethel Marie Holmes, to Private Lawrence P. Mitchell, son of Mr. and Mrs. Harold P. Mitchell, of Arlington.

The ceremony was performed last Thursday evening by Rev. Maurice J. O'Connor, D. D. at St. James Church. Private Mitchell left shortly after for Atlantic City where he is stationed with the Army Air Corp. Mrs. Mitchell will reside with her father until after the war.

## White-McNamee

Miss Mary E. McNamee, daughter of Mr. and Mrs. John McNamee of Arlington, and First Sergeant Arthur B. White, son of Mrs. Bridget White of Cambridge were married December 28 at a nuptial high mass, celebrated by the Rev. Joseph Donlon, at St. Agnes church.

The bride, in orchid tulle suit, with kolinsky scarves, was attended by her sister, Miss Frances M. McNamee, dressed in a deep purple wool suit. The bride wore a corsage of white and purple orchids and her sister wore white gardenias. William Farrell of Cambridge was best man.

The bride was given in marriage by her father, John McNamee. First Sergeant White and his bride will make their home in Venice, Florida where Sgt. White is stationed.

## Hayden-Bryson

Miss Eva Madeline Bryson, daughter of George A. Bryson, of 20 Franklin street, became the bride of Lieut. Charles Edward Hayden, son of Mr. and Mrs. Charles N. Hayden, of 30 Woodland street, recently.

The bride was given in marriage by her father. The double ring ceremony was performed at the First Baptist church by Rev. Grady D. Feagan. Miss Dorothy E. Bryson, sister of the bride, was maid of honor. K. Gordon Platine, of Arlington, was the best man. Ushers

roads and buildings not directly vital to the war.

Prepare for the days of peace when employment and other post-war problems will be enormous.

"At the moment the fuel shortage is critical and other shortages will arise. These place a great responsibility on Massachusetts citizens. As a State we have no control over rationing but we must be treated fairly and not suffer uselessly."

"More than 22,000 men and women from Massachusetts are serving in the armed forces of the United States. With this enrollment we are high among the first ten States in proportion to population. Of this record, we are proud."

"Our Committee on Public Safety has done an outstanding job in organizing Civilian Defense."

"Our State Guard has done a pioneer job in training for modern defense in any emergency."

"Action of state and local governments in fiscal affairs must help maintain national economic stability and build a cushion against post-war shocks."

"During the early readjustment from war to peace, employment will be supplemented by carefully thought-out public works. One such project which demands our immediate attention is the enlargement of the East Boston Airport. I strongly recommend a bond issue of \$3,000,000 for enlarging this airport in addition to funds already appropriated and still available."

were Walter D. Bullock, of Dorchester, and Walter A. Finley, of Arlington.

The bride's gown was of white brocade satin and her veil was finger tip length. She carried a shower of white roses and sweet peas. Her maid of honor wore a gown of fuchsia taffeta and carried a bouquet of gladioli, carnations and chrysanthemums.

Miss Marion Stewart was at the organ. Miss Gertrude Mellen was soloist.

Following the ceremony, a reception was held in the church chapel.

Both the bride and groom are graduates of Arlington high school. Lieut. Hayden was aboard the Hugh L. Scott which was sunk off the coast of North Africa, and is now on a furlough.

## Osborn-Anthony

Mr. and Mrs. Harry W. Kolpack, formerly of the Walcott Apartments, and now residing in Chillicothe, Ohio, announce the marriage of their daughter, Miss Audrey C. Anthony to Melvin N. Osborn, of December 26 at Westminster Presbyterian church.

The bride was given in marriage by her step-father, and wore a gown of ivory satin with bodice and long sleeves trimmed with chantilly lace. Her veil was finger tip length.

Mrs. Osborn was graduated from Arlington high school in 1939.

After a reception at the Hotel Biltmore, Dayton, Ohio, which was attended by immediate families, the young couple left for San Diego, California where they will make their home.

## Flynn-Cotter

Miss Margaret Josephine Cotter of Arlington and Durham, N. H., became the bride of James T. Flynn, of Newton at a nuptial mass in St. Agnes church recently. Rev. Matthew J. Flaherty, pastor, officiated.

Mrs. William C. Maney was matron for her sister. Robert Flynn was best man. Ushers were George Flynn, Dr. Harold Harris, Senator Eugene H. Giroux, Robert Allen and William Maney.

A reception followed at Hotel Kenmore. The bride is a teacher at the Somerville high school while Mr. Flynn is an attorney and left for officers' training school shortly after the marriage.

## United War Fund Drive Under Way

United War Fund season opened full swing this New Year week in Arlington and the 48 other cities and towns of the Greater Boston area.

Beginning with the Symphony Hall gathering of the advance gift division on Monday, and following through the intensive campaign solicitation period, Jan. 21 to Feb. 10, all Greater Boston is concentrating on this gigantic task of raising \$7,800,000 for vital all-time and wartime needs.

Campaign posters, bearing the 1943 symbol of the traditional Red Feather, encircled by blue stars, are appearing on billboards throughout the 600 square mile area participating in the Fund.

The Red Feather, the badge of honor signifying the responsibility of the Greater Boston community to the 235 Community Fund hospitals and social agencies serving its 2,000,000 people. The Circle of Blue Stars, symbolizing the community's greater responsibility to a nation and a world at war, through the USO, United Nations Relief, War Prisoners' Aid and other wartime services.

The 1943 slogan—"Give enough, soon enough"—speaks for itself. Sacrifice is the keynote, lest it be "too little, too late."

Completion of enrollment of the 18,650 volunteer workers needed to put the Metropolitan Division's quota across is the immediate concern of Chairman Roscoe O. Elliott, of Arlington and his local campaign leaders.

Among many Greater Boston United War Fund events scheduled for the coming week is the colorful United Nations Relief dinner, next Sunday evening at the Copley Plaza, Boston. Assistant Secretary of State Adolph A. Berle, Jr., former Boston attorney, will be the guest speaker.

One thousand friends and representatives of the allied nations — many of them in native costume — will gather from all parts of Greater Boston in tribute to the United War Fund which will benefit those people struggling for democracy — the Chinese, Russians, Dutch, British, Polish, Greeks, Norwegians, Yugoslavs, Czechs and the Fighting French.

## Old Farmer's Almanac Now In Its 151st Year

The 1943 Old Farmer's Almanac (K) its 151st consecutive edition since 1792, is now available at newsstands.

Mr. Weatherwise has prepared Weather Indications this year rather than his usual forecast — to please the Censor. Nevertheless, it may well be you'll find he can guide your umbrella carrying and weekend planning with customary facility.

Many pages have been added to text matter which in other years carried advertising. All contain a wealth of interesting material, some relating to World War II.

The staff of the Almanac has been in Government Service during its preparation, using evenings and Sundays to complete the work — a labor chiefly of love and pride in keeping this oldest of almanacs in there standing for U. S. A.

It'll be out again next year, too — same time but somehow this year it seems to us more welcome than almost ever before.

—Rev. Gerald J. Hogan, of Arlington, has reported for duty as Catholic chaplain at the Blytheville Army Air Field, Blytheville, Arkansas. Rev. Fr. Hogan was formerly professor at Elm Bank Seminary, Wellesley.

The most recent returns from the Christmas Seal Sale brought the total received to date, from the Southern Middlesex Health Association Area, to \$21,528.00, according to Miss Margaret Roberts, Executive Secretary of the Association.

## HOW TO CONSERVE GAS and help build a Bomber

## HOW TO CONSERVE GAS

- 1 Adjust burner to cooking flame is blue. Cook vegetables in small amounts of water. Roast at low temperatures.
- 2 Heat no more water than necessary.
- 3 Repair leaky faucets to save water and gas.
- 4 Keep room temperatures at about 65°.
- 5 Avoid heating your kitchen with your gas range even on top burners. This is especially important on cold days.

War plants need gas — lots of it — to help build planes, ships, guns, shells, tanks and other war essentials. Demands for gas are skyrocketing. Normally we could obtain additional steel and other materials to enlarge our gas supply and meet all needs. Today, this cannot be done.

To help keep war production lines rolling, use gas conservatively and avoid waste. Please avoid heating your kitchen with your gas range even on top burners, especially on cold days. That's when demands for gas will be heaviest.
